<u>EVIDENCE:</u>

ITEM #16: (1) Smith & Wesson M&P 9mm handgun, serial number [redacted], with one magazine and (16) live 9mm rounds. Item #16 was recovered from Deputy Jonathan Cufley by Detectives Ewing and Baljet. The item was later turned over to FIS Terri Beatty for transportation to the Sheriff's Crime Lab, Firearms Section, for further examination and testing.

ITEM #17: (1) Los Angeles County Sheriff's Department Reference Oral (Buccal) DNA Collection Kit collected from Suspect Nancy Herrera by Detective Baljet on March 15, 2019.

WITNESSES:

W #1: [redacted], FH/DOB: [redacted]

****

On March 15, 2019, at approximately 0100 hours, Detectives Baljet and Ewing responded to [redacted] Seville Avenue in the unincorporated area of Walnut Park, in order to investigate the circumstances involving an assault with a deadly weapon (vehicle) on peace officers which resulted in a deputy involved shooting at the location.

Detectives arrived at approximately 0300 hours and contacted the handling unit, Deputy Luis Torres #[redacted]. Deputy Torres was working Century Station Unit 216H with his partner, Deputy Lucas Jenkins #[redacted].

Deputy Torres stated that on March 14, 2019, at approximately 2225 hours, Century Station Unit 216F, Deputies Chuck Mejia #[redacted] (driver) and Jonathan Cufley #[redacted] (passenger), attempted to conduct a traffic stop of a black Chevrolet Equinox for not having proper license plates in the area of Florence Avenue and Seville Avenue.

The vehicle initially yielded on Seville Avenue south of Florence Avenue, however, the vehicle then sped away from deputies before they could make contact with the driver. Before the vehicle fled, Deputies Mejia and Cufley could see that the vehicle was being driven by a female Hispanic adult. They did not see any other occupants in the vehicle.

Based on the minor infraction as the reason for the traffic stop, Deputies Mejia and Cufley did not pursue the vehicle as it fled southbound on Seville Avenue and westbound on an unknown street south of their location.

A short time later, deputies relocated the vehicle in the "King Taco" parking lot located at 7623 Pacific Boulevard. The vehicle again fled from deputies.

A short time late, deputies again located the vehicle parked in a deep driveway at [redacted] Seville Avenue. Deputy Mejia drove into the same driveway and Deputy Cufley exited the

patrol vehicle. A deputy involved shooting occurred when the vehicle accelerated in reverse toward Deputies Mejia and Cufley.

The deputies were not struck by the vehicle. The vehicle collided with a black Honda Accord (CA License Plate [redacted]) which was parked along the west curb of Seville Avenue, just north of the driveway to the location. The vehicle fled southbound on Seville Avenue and eastbound on Hope Avenue.

Deputy Cufley broadcasted emergent radio traffic and requested assistance from other units. Additional Century Station units responded to the location and ultimately located the suspect vehicle, which was unoccupied and parked in the driveway of [redacted].

The suspect was later located hiding behind a large white pickup truck in the driveway of [redacted]. Deputies noticed superficial injuries to the left side of her face, which she initially claimed she received when she was attempting to hide. The suspect was transported to Martin Luther King Hospital for treatment.

A witness at [redacted] told deputies that she saw the suspect near her residence prior to her being apprehended. She said the suspect told her that she had been shot in the face by deputies. Upon closer examination of the injuries to the suspect's face, deputies noted that the injuries were consistent with being caused by shrapnel or glass fragments and were likely a result of the deputy involved shooting.

Deputies also discovered that the vehicle the suspect had been driving, a black Chevrolet Equinox SUV (CA License Plate [redacted]), was reported stolen to Lakewood Sheriff Station on March 8, 2019 (File Number 019-05101-1327-091).

Detectives Gustavo Carrillo #[redacted] and Daniel Machuca #[redacted] responded to assist detectives Baljet and Ewing with the documentation of the scene. They were assisted by Forensic Identification Specialist (FIS) Desiree Rollins #[redacted] and Terri Beatty #[redacted]. FIS Beatty also responded to Century Sheriff Station where she photographed Deputy Cufley, Deputy Mejia, and Suspect Herrera. Their findings, when complete, will be reduced to a supplemental report which will become a permanent part of this case file.

INTERVIEW WITH DEPUTY JONATHAN CUFLEY #[redacted]

On March 15, 2019, at approximately 0502 hours, Detectives Ewing and Baljet interviewed Deputy Cufley at the Century Station Captain's Conference Room. Also present was attorney William Hadden from the Law Offices of Rains, Lucia, Stern, St. Phalle and Silver. The interview was audio recorded and a summation of the interview is as follows.

Deputy Cufley was hired on February 21, 2007 and graduated from the Los Angeles County Sheriff's Department Academy on [redacted]. He was then assigned to the [redacted] and then transferred to Century Sheriff's Station on September 4, 2015, as his current unit of assignment.

On the night of the incident Deputy Cufley was working unit 216F, early morning shift with his partner, Deputy Chuck Mejia. Their shift started at [redacted] hours and ends at [redacted] hours. Deputy Cufley was working as the "bookman" during his shift.

Deputy Cufley stated they were driving eastbound on Florence Avenue, approaching Pacific Boulevard in a marked black and white Sheriff's vehicle. They saw a black sports utility vehicle (SUV) also driving eastbound. The vehicle had paper plates from a Mitsubishi car dealership. Deputy Cufley indicated that the vehicle's make and model did not match a Mitsubishi.

He stated while stopped at the light, they pulled along the driver's side of the SUV and saw the vehicle was being driven by a female Hispanic who would not look in their direction. The light turned green and they pulled in behind the SUV. They decided to stop the vehicle, just west of Seville Avenue. Deputy Cufley stated the driver began to slow and yield to the curb, when it made a southbound turn on Seville Avenue. Again, the vehicle slowed and began to pull to the curb. The vehicle then accelerated and sped off at a high rate of speed.

Because they only witnessed traffic violations, coupled with the fact there were other citizen vehicles in the area, the deputies decided it would not be safe to follow the vehicle. The deputies drove southbound on Seville Avenue and then turned westbound on an unknown street. They reached Pacific Boulevard and saw the vehicle stopped in the King Taco parking lot located at 7623 Pacific Boulevard.

They pulled into the King Taco parking lot and saw the vehicle take off and drive northbound Pacific Boulevard to eastbound Flower Street. They pulled out on to Pacific Boulevard and drove northbound to eastbound Flower Street. When they reached Flower Street they saw the black SUV turn southbound on Seville Avenue.

The deputies turned southbound on Seville Avenue and saw the vehicle parked in a lot, a few properties south of Flower Street. Deputy Cufley stated the vehicle's parking lights were on. They pulled into the lot and Deputy Mejia began to stop behind and south of the vehicle. Before the patrol car came to a stop, Deputy Cufley was exiting the patrol car. Deputy Cufley began to approach the vehicle. He then heard the SUV's engine rev loudly and the reverse lights turn on. Deputy Cufley stated there was a fence to his left and the radio car was behind him. The suspect's vehicle began to drive in reverse at a high rate of speed. He stated he had nowhere to move and assumed the driver (suspect) was going

to try to kill him. Fearing for his safety Deputy Cufley fired three times from his duty handgun in the direction of the driver's window.

Deputy Cufley stated the car's front end began to swing around to the left in his direction. The vehicle's actions and position forced Deputy Cufley up against the wall. Again fearing for his safety, Deputy Cufley fired three more times in the direction of the driver. He stated when the car was moving, he gave several verbal orders to stop the car. Deputy Cufley later stated that the SUV's windows were tinted and were all closed at the time of the shooting. He stated the vehicle was approximately 3' away from him when he started to fire his handgun.

Deputy Cufley stated the vehicle was now behind him and continuing east through the lot. Deputy Cufley now feared that driver was going to place the car in drive and try to run him over. The suspect's vehicle continued towards Seville Avenue and struck a parked vehicle that was parked along the west curb.

Deputy Cufley stated he could not see Deputy Mejia at this time. He stated the SUV drove southbound on Seville Street and turned eastbound on Hope Street and out of sight.

Deputy Cufley advised via his hand held radio that he had been assaulted and had been involved in a deputy involved shooting (DIS). Deputy Cufley later found out that his radio transmission of stating that he was involved in a DIS failed to broadcast. Deputy Cufley stated he provided a suspect and vehicle description to responding units.

Deputy Cufley learned that the vehicle was found mid-block on Hope Avenue, between Seville Avenue and Mountain View Avenue. He stated the suspect was also located. Deputy Cufley and Deputy Mejia participated in a field show-up and positively identified the vehicle and Suspect Nancy Herrera.

Detective Baljet obtained a Google Map Street View of [redacted] Seville Avenue. The photo was taken in January of 2018. Deputy Cufley made a rectangle on the map of where the suspect's car was initially parked. A second marking is of the position of the radio car that was offset to the left of the suspect's car. A third marking was of the parked vehicle that was parked on the street and struck by the SUV.

Deputy Cufley stated he was approximately 7' to the east þf the Suspect Herrera's vehicle when he first approached. He stated the shooting was rapid and the entire incident lasted only seconds. Deputy Cufley stated there was some ambient lighting in the area, along with the patrol car headlights. He stated he has a light affixed to his handgun, but did not utilize it. The patrol car's spotlights were not on. Deputy Cufley stated he believed the vehicle was solely occupied by Suspect Herrera.

Detectives questioned Deputy Cufley regarding the tire marks found in the front yard of [redacted] Seville Avenue. He stated he did not see the vehicle drive on the front yard.

Detective Ewing utilized his digital recorder and asked Deputy Cufley to demonstrate the direction of travel of the SUV during the shooting. Deputy Cufley moved the recorder in the direction he remembers and showed how the front of the car swung around in his direction when it was turning. He also showed where he was off to the side of the driver's door when he fired.

Detectives examined Deputy Cufley's handgun, a Smith and Wesson MMP 9mm, serial #[redacted] (**Item #16**). The handgun had an extended magazine clip seated in the handgun. The magazine clip contains a maximum of (22) live cartridge cases, plus (1) cartridge case in the chamber of the handgun for a total of (23) live cartridge cases. Detective Baljet counted the cartridge cases in the handgun's magazine clip and noted (15) live cartridge cases, plus (1) live cartridge case in the chamber. This indicates that Deputy Cufley fired his weapon (7) times. Deputy Cufley initially thought he fired four times, but would later see six cartridge cases at the scene.

Deputy Cufley was wearing a Los Angeles County Sheriff's Department, "Class A," short sleeve, uniform shirt, with green pants (refer to photos). His holster was on the right side of his Sam Browne belt.

Deputy Cufley did not have any additional information and the interview was terminated.

INTERVIEW WITH DEPUTY CHUCK MEJIA #[redacted]:

On March 15, 2019, at approximately 0535 hours, Detectives Ewing and Baljet interviewed Deputy Chuck Mejia at the Century Station Captain's Conference Room. Also present was attorney William Hadden from the Law Offices of Rains, Lucia, Stern, St. Phalle and Silver and Internal Affairs Sergeants Eric Barron and Robert Jones. The interview was audio recorded and a summation of the interview is as follows.

Deputy Mejia was hired on October 3, 2007, and graduated from the Los Angeles County Sheriff's Department Academy on [redacted]. He was then assigned to the [redacted] and transferred to his current unit of assignment, Century Sheriff's Station, in February 2015.

On the night of the incident, Deputy Mejia was working unit 216F, early morning shift, with his partner, Deputy Jonathan Cufley. Their shift started at [redacted] hours and ends at [redacted] hours. Deputy Mejia was the driver during his shift. He added he has been partners with Deputy Cufley for approximately one year.

Deputy Mejia stated they were stopped at a red light eastbound on Florence Avenue. They saw a black SUV stopped in the #1 lane of traffic. The SUV displayed paper plates. He pulled up alongside the SUV and saw a female Hispanic in the driver's seat. She refused to make eye contact with the deputies.

The light turned green and the SUV continued eastbound on Florence Avenue. He decided to stop the vehicle, so he positioned his marked patrol vehicle behind the SUV and activated the overhead red lights. Deputy Mejia stated the driver began to slow and yield to the right, when it made a southbound turn on Seville Avenue. Again the vehicle slowed and began to pull to the curb. The vehicle then accelerated and sped off at a high rate of speed, failing to stop for a stop sign.

The decided not to pursue the vehicle because of the possible dangers. The vehicle made a westbound turn on an unknown street. Deputy Mejia turned on the same street and believes he saw the vehicle make a right hand turn on Pacific Boulevard.

He reached Pacific Boulevard and saw the black SUV in the King Taco parking lot. He turned into the King Taco parking lot and the vehicle sped off and turned northbound on Pacific Boulevard, then turned eastbound onto Flower Street. Deputy Mejia turned onto Flower Street and saw the vehicle make a right hand turn onto Seville Street.

Deputy Mejia made a right hand turn and saw the vehicle parked in the driveway of an abandon building. He pulled into the driveway and Deputy Cufley exited the patrol car. Deputy Mejia heard the SUV's engine revving and saw the vehicle moving in reverse. He heard Deputy Cufley yell, "Sheriff's Department, stop the vehicle," several times.

The vehicle continued in an aggressive manner and turned to the right, causing the front end of the vehicle to swing towards Deputy Cufley. Deputy Mejia believes the driver of the SUV was attempting to run Deputy Cufley over and thought the vehicle was going to hit Deputy Cufley. At this time Deputy Mejia heard gunfire. He did not know if the gunfire was from Deputy Cufley or the driver of the SUV.

The SUV continued out the driveway and struck a parked car. The vehicle then south south and turned east on Hope Street. He heard his partner voice via his handheld radio indicating a "998" had just occurred.

He stated the vehicle and suspect were later located. He positively identified Suspect Herrera as the driver of the vehicle. He also identified the vehicle.

He stated Deputy Cufley was near the right front tire of the patrol car and off to the side of the driver's window of the SUV when the shooting took place. The patrol car was approximately 3' from the black SUV when Deputy Mejia parked in the driveway.

Deputy Mejia stated their first radio traffic of the entire incident was made after the deputy involved shooting occurred. Deputy Mejia was also provided Google Street View photo of the location. He marked the position of the patrol car and suspect's vehicle just prior to the shooting.

Deputy Mejia did not have any additional information and the interview was terminated.
